Dear Mr. Daly:

Re: Ozone Exceptional Event Documentation Wildfire Smoke, July 9, 2013

This letter transmits the documentation necessary to flag data for removal from regulatory consideration for wildfire smoke-related ozone exceedance that occurred as a result of Nevada wildfires.

DAQ established a 30-day comment period from October 15 to November 15, 2014. No one commented on the documentation.

If you have any questions on this filing or need any further information, please contact Joel Karmazyn of our staff at jkarmazyn@utah.gov or by phone at (801) 536-4423.

Sincerely,

Bryce C. Bird
Director
